

DIVERSITY & INCLUSION:

The New Orleans Chapter's Diversity and Inclusion Committee spearheads our ongoing efforts to develop a work environment that:

- Ensures equal opportunities for all members and business partners
- Promotes diversity at all levels of the chapter
- Encourages teamwork and participation, permitting the representation of all members' perspectives
- Supports chapter and member contributions to the communities we serve, promoting a greater understanding and respect for diversity
- Provides tools and resources to members that are required to lead and increase diversity within their respective law firms
- Providing guidance, education, and resources to members in support of the National ALA Diversity Initiative
- Offering diversity and inclusion education and resources, including presentations and speakers to help our members develop, plan, and implement a successful diversity program in the workplace
- Commits to participating in the Diversity and Inclusion Scorecard program and earning the 'We Participate' seal issued by the National ALA's Committee on Diversity and Inclusion
